To Whom It May Concern,

This letter is written to recognize and recommend the outstanding service, professionalism, and most importantly, the expertise of Sid Roberts as a real estate professional. As the owner of multiple service based businesses in the state, I recognize the differences between excellent, average, and mediocre performance. From my experience with Sid, he has demonstrated excellent customer focus and service, excellent market knowledge, an amazing work ethic, and genuine personal and professional integrity. I highly recommend Sid Roberts for your consideration as your real estate professional.

I had the great pleasure to work with Sid in purchase of a residential lot and purchasing a commercial building over a few months time. Sid provided me with personal attention and service that exceeded my expectations and he worked tirelessly with me to find the location that met my needs. He was always available to talk with me, e-mail me, and/or text message with me regarding anything related to my search. Is there a better testimony to Sid's stated commitment to do what it takes to meet the needs of his clients?

Sid is a person of high ethical, moral, and professional standards, which is reflected in his work. As such, his outstanding client focus and personal service, impressive market knowledge, outstanding work ethic, and high level of integrity served me well. Sid has earned my highest recommendation as a Realtor, and as a result, I would highly recommend Sid Roberts Commercial and Residential Realty for your consideration as your real estate professional.

Sincerely,

Mozie Moghimi
